The Vicarage, Burgen Hill.

Saturday afternoon

My dearest Peter

Very many Happy Returns

of the Day. Thank you very much

for your N.C. which I got at camp.

I enjoyed it very much indeed.

Got back on Thursday afternoon

about 4-30. I like the house very

much. I should think the drive

to Newton Street must have

been lovely. It has rained

pretty hard here this morning

but not sufficient to stop the

train; I am going up this

now.

With my best love from all

your loving son James.

*From my loving Brother

TAKE ME BACK TO DEAR OLD BLIGHTY.
Take me back to dear old Blighty, put me on the train
for London town,
Take me over there, drop me anywhere,
Birmingham, Leeds, or Manchester—well, I don't care!
I should love to see my best girl, cuddling up again we
soon shall be;
Whoa! Tiddle-iddley-ighty, hurry me home to Blighty—
Blighty is the place for me.
